

The IEEE – ITSS Invites *Intelligent Transportation Systems (ITS)* Young Professionals, Practitioners, Researchers and Students to Participate in

The 2021 “Shape the Future of ITS” Competition

by

Presenting Their Futuristic Vision on Transportation Systems

This is a great opportunity to influence the future of Intelligent Transportation Systems, the way they will operate, and product & services they will provide.

Share your ITS vision with the ITS Society and make it a winner!

The **Two Award Categories** with the total of **Eight Prizes** are set to recognise & celebrate these achievements.

Award Category	
Undergraduate and Postgraduate students	Young Professionals
The 1st Prize	The 1st Prize
The 2nd Prize	The 2nd Prize
The 3rd Prize (x2)	The 3rd Prize (x2)

The 1st Prize:

- \$3,000 USD, and
- Award Certificate, and
- The Prize Winner Profile in IEEE-ITS Magazine and IEEE-ITSS Newsletter

The 2nd Prize :

- \$2,000 USD, and
- Award Certificate
- The Prize Winner Profile in IEEE-ITSS Newsletter

The 3rd Prize

- \$1,000 USD, and
- Award Certificate

The Award Committee reserves the right to refrain from awarding any of these prizes.

Eligibility

Students and young professionals (of up to 30 year of age) are eligible to participate if they are current members of IEEE-ITSS or are committed to becoming a 2022 member by 30 October 2021. Membership registration details must be included in the submission.

To apply for IEEE-ITSS Membership please go to <https://www.ieee-itss.org/membership>.

Submission Requirements

- An essay in the size of up to 3 pages, two-column, prepared in line with the IEEE Paper Template, and
- 3-min video recorded elevator pitch; the inclusion of rich presentation slides, animations and of any other visual effects is encouraged.

Helpful Guidelines

Write an opener to catch the attention; Highlight the idea; By telling a story communicate your excitement and enthusiasm; In the summary section re-state a quality step change that the implementation of your vision & idea(s) will bring to the society and spell out the main takeaway from reading your essay.

Judging Criteria

20% - Does the essay explain the significance of the idea?

20% - Does it describe the future transport concept and product & services with clarity?

20% - Is it free from unexplained terms?

20% - Is it motivational and engaging?

20% - Is a video-recorded elevator pitch engaging?

FINAL Submission Deadline

07 November 2021, 23:59 the Australian Eastern Standard Time (AEST);

Electronic Submission Details

- Essay submission (word/pdf file): to l.vlagic@griffith.edu.au (Ljubo Vlacic); and
- Link to 3-min video recorded elevator pitch: to l.vlagic@griffith.edu.au (Ljubo Vlacic); and
- ITSS Membership Registration details (either for 2021 membership round or 2022 membership round): to l.vlagic@griffith.edu.au (Ljubo Vlacic).

Ljubo Vlacic,

- The 2021 “*Shape the Future of ITS*” Competition Organiser
- Editor-in-Chief, IEEE-ITS Magazine
- Member, IEEE-ITSS Board of Governors
